#### Hurricane Michael making landfall in the Florida Panhandle. Expect Service Delays

We have suspended service into the Florida Panhandle, Dothan AL, and Mobile area due to the path of Hurricane Michael and evacuation orders currently in place. Storm surges in other areas such as Tampa Bay may also cause delays to service. Anticipate delays in the affected areas the remainder of this week. Service will resume as soon as it is safe to do so.

We will continue to monitor the path of Hurricane Michael as it makes its way towards the Carolinas. Our customer service team will work as diligently as possible to identify affected shipments and update accordingly.

Weather advisories can be found at the [National Weather Service](http://www.weather.com) website. For more information regarding Hurricane Michael, visit [www.weather.com](http://www.weather.com). Evacuation map: <http://www.co.bay.fl.us/511/Evacuation-Zones>

For shipment status track your shipment at [www.ffeinc.com](http://www.ffeinc.com) or contact your local service center. To receive notification of delays for your shipment via email, sign up for auto email alerts on our website.
